

CONRAD DEVAUL.

MARCH 30, 1860.—Ordered to be printed.

Mr. FOSTER, from the Committee on Invalid Pensions, made the following

REPORT.

*The Committee on Invalid Pensions, to whom were referred the petition and papers of Conrad Devaul, a soldier in the war of 1812 with Great Britain, asking a pension, make the following report:*

That the testimony is too vague and uncertain to warrant your committee in granting the prayer of the petitioner, there being nothing in the evidence to show that the lameness in the knee complained of arose in the service or in the line of his duty. The only averment of the fact is his own statement, not supported by any other. Your committee, therefore, ask to be discharged from the further consideration of the subject.
